AeroMarine Products **Green** Silicone Molding Putty

AeroMarine Products Green Silicone Molding Putty is a fast setting, 1:1 mix silicone RTV putty designed for making rapid mold of many types of objects. Our green silicone molding putty makes great molds for figurines, candy, chocolate, industrial parts, models, horse hoof molds, etc. Also, finished green silicone putty molds can be used to cast all types of resins, wax or plaster materials.

Advantages:

- Fast curing- molds can be ready to use in 15 minutes
- FDA accepted
- Soft paste consistency picks up fine detail

Specifications:

Mixed viscosity:	Soft paste
Color:	Green
Work life:	5 minutes @70F
Cure time:	10-15 minutes @70F
Durometer, Shore A:	40

Mixing directions: Mix one part of side A and one part of side B together. A visually estimation of proportions is usually sufficient. Next, knead putty until the color is uniform green with no swirls or streaks. Do not mix more that you can apply in three minutes! Because this is a platinum based silicone putty, don't use latex gloves, tin based RTV silicone and/or sulfur clay when working with this product.

Storage/shelf life: Store in original containers, tightly closed, in a cool, dry place. Properly stored, AeroMarine Products Green Silicone Putty has a six month shelf life.

For industrial or professional use only

AeroMarine Products (seller) make no warranties, express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the seller's product is fit for a particular purpose and suitable for a user's particular method of application. Many factors can affect the use and performance of seller's product. Given the variety of factors that can affect the use and performance of seller's product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the seller's product to determine whether it is fit for a particular purpose and is suitable for the user's method of application.

If the seller's product is proven to be defective, THE EXCLUSIVE REMEDY, AT SELLER'S OPTION, SHALL BE TO REFUND THE PURCHASE PRICE OF OR TO REPAIR OR REPLACE THE DEFECTIVE PRODUCT. Seller shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including, but not limited to, contract, negligence, warranty, or strict liability.
