AeroMarine Products Extra Catalyst Purple

Not for use on human or animal skin!

AeroMarine Products Extra Catalyst Purple can be added to the AeroMarine Products AM128 silicone base condensation cure silicone rubber to make a pour-on silicone mold.

Do NOT use it with any silicones that are not 10:1 tin (condensation) cured.

This catalyst must be added to the silicone base in a 10:1 by weight ratio.

Mixing directions: Shake the catalyst very vigorously for 60 seconds before weighing it. Add the 10% amount of catalyst to the silicone base and mix well. Take care to scrape the sides and bottom of the mixing container. Keep your stirring utensil on the bottom of the container to reduce the amount of air being mixed into the silicone. Mix for several minutes, scraping the sides and bottom frequently, until the silicone is one uniform color with no streaks. When pouring your silicone, do NOT pour it directly onto the part. Instead, pour the silicone into the shallowest part of the mold and let it find its own level. This method prevents air bubbles forming on the surface of your part.

Do not add more than 10% catalyst to the silicone base because it will make the finished silicone mold brittle.

FOR INDUSTRIAL OR PROFESSIONAL USE ONLY

AeroMarine Products (seller) makes no warranties, express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. User is responsible for determining whether the seller's product is fit for a particular purpose and suitable for a user's particular method of application. Many factors can affect the use and performance of seller's product. Given the variety of factors that can affect the use and performance of seller's product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the seller's product to determine whether it is fit for a particular purpose and is suitable for the user's method of application. If the seller's product is proven to be defective, THE EXCLUSIVE REMEDY, AT SELLER'S OPTION, SHALL BE TO REFUND THE PURCHASE PRICE OF OR TO REPAIR OR REPLACE THE DEFECTIVE PRODUCT. Seller shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including, but not limited to, contract, negligence, warranty, or strict liability.
